

Letter by Ferruccio Busoni to Natalie Curtis (New York, 17 February 1915)

Dear Miss Curtis,

I am anxious to let you know that a [...] morning rehearsal and the public rehearsal will take place on the same day in Philadelphia, viz. on Friday next. – I hope very much to see you there, or perhaps already at the Station at 8 o'clock. – Your letter came many days later, but I have still to thank you for it.

The score had to remain in my hands for memorizing; afterwards it goes over into yours, which I reverently kiss.

Yours very faithfully

F Busoni
NY. Feb.y. 17th 1915.
